General Information.

ORIGIN AND AIM.

Luther College was founded in the year 1861 by the Norwegian Evangelical Lutheran Synod of America. The College is supported by voluntary gifts from the congregations constituting that body, and is, accordingly, under the control of the Synod, which appoints the Board of Trustees and the Board of Visitors. The institution owes its origin to the growing demand for educated men who could preach the Word of Life to the rapidly increasing Norwegian population of this country.

The chief object of the College is to meet this demand; but it also aims to afford the advantages of a liberal education to any youth, desiring to avail himself of the same.

Believing that "the fear of the Lord is the beginning of knowledge", it regards mere mental training without Christian faith and love as possessing

but a doubtful value. For this reason it desires through its religious instruction and Christian influence to reach as many as it can also of those who do not intend to serve the church directly as pastors or teachers, trusting that those whose education has been based on Christian principles will, also in other vocations both morally and intellectually, exert a beneficial influence among their countrymen and fellow-Christians.

LOCATION AND BUILDINGS.

The College was temporarily located at Halfway Creek, Wis. In the year 1862 it was removed to Decorah, Winnesheik Co., Iowa, a city situated at the terminus of the B. C. & N. R. and that of a branch of the C. M. & St. Paul R. R. The grounds embrace 32 acres about one mile distant from the center of the city.

The College buildings are located in a fine natural park on the left bank of the Upper Iowa river, and command a beautiful view of the city and the surrounding country. There are two buildings. The main building is 170 × 52 feet, has four stories and a basement. There are comfortable accommodations for about 150 students.

GENERAL REGULATIONS.

Students are required to enter promptly at the beginning of the academic year and to remain until its close.

No student is permitted to be absent during the year except for urgent reasons.

Strict observance of study hours and punctual attendance on all prescribed exercises are required.

Students regularly attend devotional exercises and public worship.

Such other rules will be announced as are necessary for the preservation of good order.

TERMS OF ADMISSION.

All applications for admission should be sent to the President of the College before Aug. 1.

Candidates for an advanced class must pass a satisfactory examination in the branches required to enter the class to which they aspire. Such examinations are held during the three days immediately preceding the academic year. (1885: Aug. 31 and Sept. 1 and 2).

Examinations may be held at any time; but applicants are requested to present themselves on the days appointed.

For admission to the Preparatory Department the following attainments are required: Facility in reading Norwegian and English; a legible handwriting; in Arithmetic: Notation, Addition, Subtraction, Multiplication, Division, and Common Fractions; Luther's Catechism and Pontoppidan's Udtog.

Satisfactory testimonials of good moral character must be presented, and those coming from other institutions are required to bring certificates of honorable dismissal.

EXPENSES.

Tuition for the first year in the Preparatory Department -	$20.00
For the second year - - - - - - - - -	10.00
Board, 40 weeks - - - - - - - - -	70.00

All students pay an annual fee of $2.00 to the College physician, who will, in case of sickness, give them medical aid. The College furnishes bedsteads, tables, book-shelves, s oves, and fuel. Students must furnish their own books, bed-clothes, light, etc.

As a rule, students are not permitted to board elsewhere; in case such permission is granted, an annual fee of $8.00 is required for contingent expenses.

In the College Department as well as in the third year of the Preparatory Department instruction is given free of charge.

All College dues must be paid quarterly in advance.

NORMAL DEPARTMENT.

The Normal Department, which for years has been connected with the College, embraces a course of three years, and educates teachers for the parochial schools of the Synod, at the same time qualifying them for teaching in our Common Schools.

LUTHER COLLEGE ALUMNI ASSOCIATION

held its first meeting in June 1880. The aim of the association is to preserve a spirit of harmony among the graduates of this institution, and to unite them in fraternal work for the best interests of their Alma Mater. The association is at present engaged in raising an endowment fund for Luther College. The work done so far has been successful. The Association now numbers 125 members.

LITERARY SOCIETIES.

The different literary societies afford excellent opportunities for improvement in reading, writing, and speaking the Norwegian as well as the English language.

The "Addison" literary society was organized in 1879. Its regular weekly meetings are devoted to debates, original composition, select reading, and criticism.

The "Irving" literary society was organized in 1884.

The "Students' Union" holds exercises in the College Chapel every five weeks. Members of the different literary and musical associations take part in these exercises, making them as instructive and pleasing as possible.

"Muspelheim" and "Niflheim" are reading-rooms, where members have access to the best newspapers and periodicals of the day.

LIBRARIES AND LABORATORIES.

The College Library contains 4300 bound volumes, besides pamphlets, papers, and other printed matter. The students pay an annual fee of 50 cts. for the privilege of using this library. An annuity of $200 is received from the Synod. This year the library has been removed to more commodious quarter on the first floor of the main building.

The "Mimer" Library has on its shelves more than 800 volumes, embracing the best modern authors. The library is the property of the students constituting the "Mimer" association. Every member pays an annual fee of $1.00. A catalogue of the books contained in these two libraries has been published.

The old library room is now used for a laboratory and has been furnished with the necessary apparatus for the study of Physics and Chemistry.

"COLLEGE CHIPS"

is issued semimonthly with 16 pages in paper covers. It is under the editorial charge of a board appointed by the students. Price 50 cents a year in advance.

MUSICAL SOCIETIES.

Two societies for the cultivation of instrumental music have been organized by the students; a brass band of sixteen, and a string band of twelve instruments. A musical library, always in receipt of the latest compositions, was started in 1883.

"LUTHER COLLEGE PHALANX."

A company has been organized for the purpose of training the students in military tactics. The College Armory contains 50 stand of arms with accoutrements.

Only such societies are allowed, whose constitution and by-laws have been approved by the President of the College.

BENEFICIARY AID.

Pecuniary contributions are regularly received from persons and congregations who are interested in the work of the College. These moneys are bestowed upon poor students whom the Faculty deem worthy of help, and who desire to educate themselves for work in the holy ministry or in the parochial schools. Clothes are also received and distributed to needy students.

LEGACIES.

Mr. Halvor O. Gjergjord, late of Stoughton, Wis., bequeathed to our College two thirds of his estate, amounting to some $6,500.00, to be controlled by the Board of Trustees, and the annual income thereof to be distributed among deserving students whose aim it is to serve the church.

Another similar bequest has been made by Mr. Martin Pedersen of Glenwood, Iowa. The amount is $750.00.

DEGREES.

The degree of Bachelor of Arts is conferred upon those students who have completed the regular course. Graduates of three years standing, who by a thesis, or in some other way, show to the satisfaction of the Faculty that they have made progress in a special study or studies, may on application receive the degree of Master of Arts.
